

Opening Doors for English Learners: Strategies for Language Acquisition and Common Core Mastery

This workshop provides educators with a range of effective classroom strategies that are designed to actively engage students in English language acquisition and in meeting the Common Core State Standards. These easy-to-implement strategies are evidence-based practices that support the learning of English learners within all content areas.

What You Will Learn:

During this workshop, you will:

- *Discover ways to build upon your students' prior knowledge, experience, and strengths to support their learning;*
- *Learn how to widen the content vocabulary and academic language of your students so that they can become more independent learners;*
- *Understand how the Basic Skills of Thinking, Listening and Speaking work together to improve reading and writing;*
- *Explore hands-on strategies that encourage students to think, ask questions, practice conversations, and contribute to group discussions;*
- *Identify opportunities to foster student-to-teacher, teacher-to-student, and student-to-student interaction that supports learning and academic achievement; and,*
- *Devise a real-time action plan to implement these strategies in your classroom and assess their impact on student learning.*

Who Should Attend?

Teachers, coaches, and administrators will benefit greatly from attending this workshop. Differentiated instructional strategies for teaching in elementary and secondary classrooms will be addressed.

When is This Workshop Offered?

Sessions are offered in various formats, from single day to multiple day sessions depending upon the needs of your school or district. Sessions can be integrated into Department or Grade Level meetings over a period of time.

Follow-up coaching is available for schools wishing to receive additional support.
